The purpose of SIGN is to foster a curiosity for the neurosciences among medical students. SIGN meets quarterly for lunch and presentations by various speakers on topics in the field of neurology. Emergency Medicine Interest Group

EMIG Officers for 2010-2011:
Karen George, MSIII – President
Kenneth Leger, MSII – Vice President
Kayla Shipley, MSII – Secretary
Lori Gautreaux, MSIII – Treasurer

The EMIG is dedicated to helping students gain exposure to Emergency Medicine, informing them of EM choices and residency application procedures. Students are given the opportunity to experience life in the Emergency Department via shadowing and clinical workshops on common procedures seen in the ED. Shadowing allows students to become immersed in the fast paced lifestyle, while clinical workshops give hands-on experience in skills such as suturing, intubation, and ultrasound. Through all these learning opportunities, we hope members will come away with a better understanding of what it means to be an EM physician.
